8.2 Budget Update – as at 31 March 2016 (Report No: 108/16)

This report covers the third update of Council’s 2015/16 budget conducted as at 31 March 2016.

For Municipal funds it has resulted in a forecast operating surplus of $317,648, a decrease in forecast capital expenditure of $884,866 and a net decrease in forecast borrowing requirements of $282,514. The proposed year-end operating forecast is $648,863 surplus. The surplus result is primarily due to revised forecast savings in legal appeals of $100,000 and waste management $150,000. For capital projects the Tarlton Street drainage project has been reduced by $1.2m as grant funding has been unsuccessful, while increased funding of $200,000 is required to complete the Marina East Boardwalk project. Increased property sale income for Portland Street of $310,000 has been budgeted for. For Alwyndor operations offsetting grants and user charges have resulted in no change to operations.
Motion

1. That the Audit Committee advises Council it has considered and noted the third 2015/16 budget update for Council’s municipal operations including:

(a) an improvement of $317,648 in the forecast operating result from a surplus of $331,215 to a surplus of $648,863 (compared to an operating surplus of $124,671 in the original budget);

(b) a decrease in the forecast capital expenditure of $884,866 from $27.714 million to $26.829 million (compared with $22.616 million in the original budget);
