## TEMPORARY WORKS PERMIT CONDITIONS

- The permit allows a vehicle to park in excess of the time limit in a time limited area.
- Issue of permits is subject to payment of a fee.
- Issue of a permit is subject to there being insufficient off street parking available at the site of works being conducted and the vehicle has to be regularly accessed during the day.
- A permit cannot be issued for a vehicle to be parked illegally,
- i.e. Bus zone, No Stopping zone, No Parking zone, Yellow Edge Lines etc.
- The vehicle must not create an obstruction of any kind or impede on the safety of pedestrians, the general public and other motorists.
- If the footpath or nature strip is to be obstructed by any building equipment, hoses, ladders, or people working overhead than a Hoarding Permit will be required.
