

**OUR
CULTURE**

A place that proudly delivers great things

**Independent Audit
Committee Member**

The City of Holdfast Bay invites expressions of interest for appointment as an independent member of its Audit Committee.

The Audit Committee provides advice and recommendations to Council on matters relating to financial governance, internal controls, risk management and audit for all of Council's activities, including its aged care facility, Alwyndor.

The committee comprises 2 councillors and 3 independent members, and meets at least four times each year. Meetings are generally held in the evening at the Brighton Civic Centre. The Terms of Reference are available on [Council's website](#).

Independent members should possess appropriate qualifications and experience in relevant fields such as business, finance, accounting, audit, governance and risk management. An understanding of local government and/or aged care would be advantageous.

Independent members are compensated for their time and expertise by payment of a sitting fee, currently set at \$425 per meeting.

Expressions of interest should be submitted by email to mail@holdfast.sa.gov.au by 5.00pm on Thursday 28 February 2019.

For further information, please contact Mr Roberto Bria, General Manager Business Services by telephone on (08) 8229 9961.
