

# SUMMER PROGRAM

Call Out For Information

## 1 OCTOBER 2020 – 31 MARCH 2021

Are you a local creative organisation, group or individual? Do you have a workshop, performance, exhibition, concert, cultural tour or talk planned or scheduled in the upcoming summer season? If so we want to hear from you, we're keen to help promote the amazing arts and cultural activities, workshops and events held in Holdfast Bay in a new Creative Holdfast Summer Program (CHSP).

The CHSP will be based online and advertised through Council and is a great opportunity for artists and musicians to advertise their arts and culture initiative, performance, concert or event and reach new audiences.

If you are interested in advertising and promoting your event, please complete and submit this form via email to [mail@holdfast.sa.gov.au](mailto:mail@holdfast.sa.gov.au).

*Please note every effort will be taken to include activities and events held within the Holdfast Bay area in the CHSP by the Creative Holdfast Team, with their decision being final.*
